AT THE COURSE

Winter is upon and it has come in with a bang. Cold temperatures and snow have prevented the course being available to golfers on some days. Heavy rain has affected us on other days. We are hoping for similar weather to last year when we were open over the holidays during a spell of beautiful weather.

On days when the weather has been nice, the course has been busy with most or all tee times taken. The staff have even managed to get a few extras out on the course as some have arrived to the course not expecting it to be as busy as it is.

Our punch cards and gift certificates have been very popular this holiday season. They provide an excellent gift idea either as a stocking stuffer or main gift. Contact the pro shop to find out the best deal available for either the simulators or outdoor golf

If you're looking for a different gift idea, have a look at these golf towels that just arrived from Kandy Golf. Our course logo on a very lightweight material. Check the image out below.

The 2024 version of the Links Fore Lung Book has now arrived at the golf course. As always they are a popular item offering excellent deals to several golf courses in the province.

holiday.

Owners, management and staff would like to take this opportunity to wish all our customers, along with their friends and family, a very happy holiday season.

If you have enjoyed your time at Indian Lake, we always appreciate a five star review on Google.

Course improvements

The work on course is finished for the year. Unfortunately, snow arrived before the completion of all the work especially on holes 2 and 7. Golfers will see some of the work on holes 2, 3, 7 and 13. Other less noticeable things involve the dredging of the

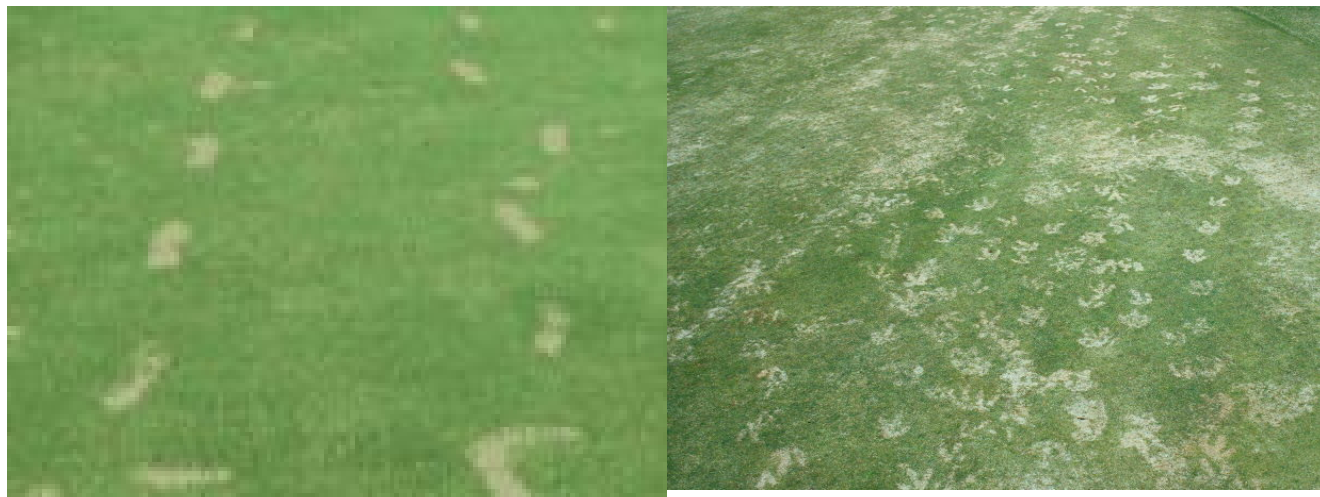

Winter golf

The tee decks are now in place on all 18 holes at Indian Lake. They will be in place until the spring.

As most now know, it is mandatory to hit from these tee deck.

As a reminder, punch cards can not be used to golf after November 30th.

Decisions on which days to open the course to golfers will be made based on weather and course conditions. Please follow the social media pages for updates. Frost delays are always possible so please be patient with staff when it happens.

MILESTONES

With some short holes around the course, we get our fair share of aces recorded. It can happen to the most experienced golfer or a beginner. Either way, it makes for a great day and years of storytelling.

We always look forward to hearing from you about an ace. Try to remember to take a picture with your group and let us know the hole and club used. Shooting your personal best score is also worthy of mention so let us know when you go low!

The only reported ace so far this winter was made by Ryan Best and witnessed by his buddy James. It occurred on the 16th hole with an 8iron. Congratulations

BOOKING THE SIMS

With winter now upon us, our golf simulators are getting busier by the day. Many groups book in advance and certain slots are booked through April. If you are unfamiliar with the sims, they provide an excellent way to maintain your swing over the winter while continuing to socialize with friends.

It's also a perfect place to take a golf lesson and work on that swing for 2024.

NEW BOOKING POLICY

On May 1, 2024 bookings for tee times will only be completed online. To achieve this, an account must be set up beforehand. While a credit card is required to secure the booking, any of the regular forms of payment can be used at the course: cash, card, or punch cards. At no time will your credit card be charged unless the cancellation policy is not followed. At that point it becomes management's decision whether to initiate the charge based on the reason and the frequency of this happening

If you don't currently have an account, it's an excellent time to take care of this. You can set your account [here](#).

If you need any assistance with this during the winter months, just ask the pro shop staff.

GOLF COURSE TIPS AND ETIQUETTE

Own clubs – All golfers are required to have their own set of clubs. Rentals are available, but if none are present at the time of your booking, this is waived by the course.

Single golfers- Presently the course does not allow single golfers to play. Staff does an excellent job of pairing groups up or providing solutions to ensure you get on the course. You should always call ahead to confirm the availability of a time.

marks.

Patience this time of year - Between frost delays and plenty of golfers hoping to get on the course, we ask you to please be at the course and ready prior to your tee time. We often have to adjust groupings to try and accommodate all the die hards still golfing this time of year

How To Repair a Ball Mark

A few extra seconds is all it takes to keep the putting greens looking and playing their best.

CHOOSE WISELY

A ball mark repair tool is recommended, but other pointed devices can be used.

PUSH DON'T PRY

Starting from the back and sides, gently push & stretch the turf to the center of the mark.

WORK AROUND

Work around the ball mark until it's filled in. Avoid lifting & twisting the turf harshly.

FINAL TOUCH

Use your putter to lightly tap down the mark. Fix other marks in addition to yours.

NEW BUSINESS

Several things to note regarding the course:

- Coming in 2024, designated tee times for golfers with mobility issues to allow a little more time to comfortably finish your round.
- Basic golf lessons now available for those looking to improve their game (see below).
- Previous newsletters are now available at the [Indian Lake website](#)
- The holes have been removed from the putting green but it is still open for putting practice only.
- If you have left or think you have left a golf club at Indian Lake, please contact the Pro Shop to check. The clubs still remaining are in 2 bins in the pro shop and

DID YOU KNOW?

Golf was banned not once but three times in Scotland between the years of 1457 and 1744. That's because the government believed it interfered with military training. In the early days of golf, players would golf publicly, such as on the streets or on business properties. This was seen as a nuisance. For you footie fans ... football (soccer) was also banned during this time.

GOLF LESSONS

For those golfers just beginning to play or perhaps looking to improve their game, lessons are available. There are currently 2 options allowing you to to decide what suits your needs better. Over the winter, the on-site golf simulators will be used to provide lessons to interested parties.
