

2019 JUNIOR PROGRAM

We are now accepting applications for our 2019 Junior Program.

The Juniors who were in the program last year will receive the first opportunity to join this year. There are up to 12 positions available.

The skill/age level will vary for each group, providing variety and allowing everyone to receive the same lessons at the same rate. Golf is an ageless game which requires patience and skill for everyone.

Our Junior Program runs for 8 weeks, starting July 2nd and ending Aug 20th. We will host the Program once a week on Tuesdays.

The age range is 8-14 years, and the cost is \$375.00. The program is very successful and the kids love it. The juniors can be dropped off at 8:30 AM at the Goodwood Family Golf Centre, (just up the road from the Golf Course) to receive an hour golfing lesson. After, they are walked down the road and escorted to the Indian Lake Golf Course where they will have a snack before heading out for 9 holes with our instructors. The Juniors must be picked up at the course around 12:00pm.

Please note that this program is one day a week on Tuesdays. Lunch is not included, however our chef will offer **two hotdogs and fries** for **\$10.00** taxes Inc.

Since we only have eight weeks available for this program we cannot make up any lost days due to weather, illness, or other commitments. However, in the event of rain, or challenging weather conditions we will offer our Juniors the option to play two hours (\$50.00 Value) on our High Definition Golf Simulators (i.e. the equivalent time of a 9 hole round).

If you are interested in the Program, you can email or call Adam Herbeson with any questions or request to have your child's name put on the wait list. The registration form will then need to be filled out and returned to Indian Lake Golf Course.
